

Grow with intention.

Make the next step visible.

This workbook helps turn a broad ambition into one focused action. Work through the prompts, keep your answers specific and choose a change you can test this week.

Observe what is happening.

Choose one outcome.

Act, then review the evidence.

Who are you helping?

THE PERSON

Describe a specific customer and their situation.

THE PROBLEM

What are they trying to achieve? What gets in the way?

THE OUTCOME

What useful change would they pay for?

One clear promise.

COMPLETE THIS SENTENCE

I help _____
achieve _____
by _____.

Make the outcome concrete. Avoid promises you cannot measure or deliver.

Make it small enough to try.

PLAN	YOUR NOTES
One action	
Who it is for	
Where you will share it	
What success looks like	
When you will review	

A useful experiment answers one question. Keep scope small enough to finish.

A plan you can use.

- ☐ Write the offer in one sentence.
- ☐ Prepare one example of the work.
- ☐ Share it with five relevant people.
- ☐ Record questions and objections.
- ☐ Review what the responses reveal.

What changed?

What happened?

What did you learn?

What will you change next?

A little
clarity.
A better start.

BLOOM / NEXT STEPS

Keep the question. Test the action.
