SEATING / 01

## The Woven Lounge

An open timber frame and a handwoven seat give this lounge chair its lightness. A low, relaxed angle makes it at home beside a window or a reading lamp.

WL-01 / Oak + woven fibre / 74 x 78 x 78 cm / From \$420

# The Everyday Sofa

A broad seat, softened edges and textured upholstery create a sofa made for unhurried evenings.

ES-02  
Textured linen blend  
220 x 92 x 78 cm  
From \$1,280

Small piece.  
Strong  
presence.

## The Column Table

A compact circular top sits on a sculptural, ribbed base. Dark timber gives the table weight without overwhelming the room.

# A quieter kind of luxury.

Texture matters as much as silhouette. Keep the palette restrained and let the grain, weave and natural variations do the work.

01 / OAK

Pale grain, a matte surface and a natural sense of lightness.

02 / WALNUT

A deeper timber tone for an intimate, grounded atmosphere.

03 / WOVEN FIBRE

Visible texture and a tactile finish, kept deliberately simple.

# Designed to work together.
